Important safety instructions for the use of candles

Never leave a burning candle unattended.

Burn candles out of the reach of children and pets.

Do not burn candles on or near anything that can catch fire.

Do not place candles in a draught.

Do not place candles near a source of heat.

Place candles in an upright position.

Trim wick to about 1 cm before lighting.

Always snuff out a flame. Do not blow it out.

Always use a candleholder.

Keep the wax pool clear of matches and other debris to avoid flaring.

Only use tea light in holders and warming stoves with sufficient ventilation.

Do not move a burning candle.

Use a suitable container as these candles liquefy when burning.

Never use liquid to extinguish.

Please pay attention to the safety instructions on the packaging!
